Discover independence and supportive living at Irvington Village Assisted Living, where community focus and personalized care are our priorities!

Irvington Covenant Church pastor Henry Greenidge envisioned elders in his community aging where they grew up. This vision became reality with the opening of Irvington Village, a key resource for affordable senior living and Medicaid-funded services in Northeast Portland.

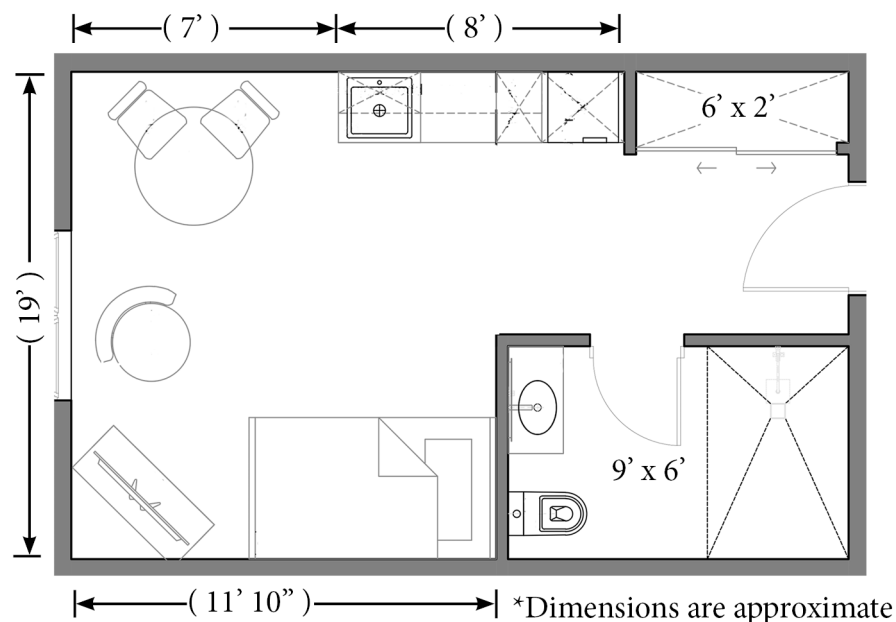

Our staff diligently maintain a welcoming, community-focused atmosphere. Residents are embraced for their individuality, and personalized care is the priority.

At Irvington Village, you can be yourself and know our staff will treat you with compassion and
