

[Read by QxMD](https://read.qxmd.com/) provides quick access to journal articles on your computer, phone, or other device. To use it, visit <https://read.qxmd.com/>, or search for **Read by QxMD** in the App Store. Fill out the form to create your Read account. You will choose a personal username and password at this stage.

Once you've downloaded the Read app and created a personal account you'll need to associate yourself w/ Providence St. Joseph Health.

1. From Read app on your phone click the gear icon at top left
2. Click Institutional Access
3. Click Add and search for Providence. Choose Providence St. Joseph Health
4. Choose Automatic Login Using all Caregivers Login

FOR LEGACY PROVIDENCE CAREGIVERS:

- Enter your Providence network username w/ @providence.org at the end. For example, if your name is Jane Doe your network username might be doej or some variation of your firstname/lastname. You would use doej@providence.org and enter your network password
- if you get a 'login failed' message then try the following
- enter your email address Jane.Doe@providence.org and your Providence network password

FOR LEGACY ST. JOSEPH / COVENANT CAREGIVERS:

- Enter your St. Joseph network username w/ @stjoe.org at the end. For example, if your name is Jane Doe your network username might be doej1 or some variation of your firstname/lastname. You would use doej1@stjoe.org and enter your network password

You will now have full text pdf access to articles in the journals that PSJH System Library Services subscribes to.
